# ANNOUNCEMENT

In presenting the Catalogue of our ~~Second~~ <sup>Third</sup> Annual Sale of Shorthorns to the breeders of America, we desire to request a careful perusal of the pedigrees of the Animals which compose the offering, when, we are sure, it will be agreed that the occasion is very rare, when so many richly bred animals are offered for sale from any one farm. We are enabled to make such an offering from the fact that we have been gathering into our herd at great expense for many years the best animals of the best blood lines to be obtained.

The offering is reduced in numbers by the loss of a number of our calves in the late disastrous fire which destroyed our entire Shorthorn buildings, but we have disposed of none of the season's product at private treaty. All we have to dispose of are included in the sale.

Mr. Norman Wilson, our neighbour Shorthorn Breeder, will include in the sale four young bulls and one heifer, making a total of forty-three animals—one of the best opportunities ever offered the Shorthorn public of America to secure young bulls and heifers of the highest possible type, both in individuality and pedigree. The pedigrees appearing in the Catalogue will speak for themselves, and those who do us the honor of attending our sale will attest that the animals are in every respect the equal of the pedigrees.

None who wish to purchase need be deterred from attending our sale because of fear that high prices will prevail. Such was not the case last year, and we have no expectation that it will be the case this year.

"Pine Grove" presents a good slice of the Shorthorns of Aberdeenshire transplanted to Canada where animals of equal breeding and quality to those in Scotland are sold for much more moderate prices.

The sale will be held in our covered steam-heated Sale Pavilion, on Wednesday, January 10th, 1906. Lunch will be served at twelve o'clock, and the selling will begin promptly at one o'clock.

When animals are led off they are at the owner's risk but will be put on cars free of charge. All animals are registered in the Dominion Herd Book and ~~must~~ <sup>will</sup> be eligible for registry in the American Herd Book without the exaction of the \$100.00 fee. All animals sold to go to the United States will be tubercular tested.

Rockland is on the Canada Atlantic Section of the Grand Trunk Railway, and also on the Canadian Pacific Railway, Lochaber being the station of the latter road.

The Brawith Bud family is another of the Cruickshank families that is well known in America. They have produced many of our best showyard Shorthorns and they have produced many of the best sires and dams that have been given the breed in Scotland. This is what makes them favorites with the breeders in the North.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. He was sired by Village Champion (82538) that won distinction in the show rings throughout Canada as a show bull and sire, and his dam was the world renowned Missie 153rd. This latter cow was selected by the late Mr. Marr, as the best Missie in his herd, to represent the herd at the International Sale at Chicago. She sold for a record price for a Scotch cow, \$6,000.00, and was added to the Pine Grove Herd, where she distinguished herself as a breeder of winners. She and her daughter Missie of Pine Grove and her son Missie Champion won the first in Toronto for the best cow and two of her progeny in 1903.

Knuckle Duster (72793)=28868= was a Bruce Augusta, he was used in Scotland before importation and left many valuable animals there as he did in Canada since his importation. His sire was Waverley (68072) and he was the sire of Silver Plate (75633), Jemidar (70671) and many noted sires mentioned in this catalogue. Knuckle Duster's dam was Augusta 42nd by Cap-a-pie (58591) and his g. dam was Augusta 9th by Cetewayo (49244).

Touchstone (60073) was a beautiful bred Secret, sired by Gondolier (52596), his dam was Sunflower by Roan Gauntlet (35284), and his g. dam was Sybella by Pride of the Isles (35072). Touchstone has been one of the most valuable sires used in the North in many years. He was the sire of Corner Stone, that won the first prize and Champion over all at the Highland Show and for which 1,500 Pounds Sterling was refused. Cornelius, a full brother, is also a wonderful sire.

Victor (48864) was a Spicy bull used by Mr. Manson. He was sired by Achilles (40951), one of Mr. Cruickshank's noted A. family. Victor's dam was Spicy 7th by Revenue (40591), a Cruickshank Violet bred at Sittyton.

The Lancaster family was brought prominently before the American Short-horn breeders many years ago by the great show-yard and breeding career of Baron Booth of Lancaster. They have been highly prized in America and in Scotland for many years and they show no signs of deterioration up to the present time. They are a branch of the Lavender family.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. He was sired by Village Champion (82538) that won distinction in the show rings throughout Canada as a show bull and sire, and his dam was the world renowned Missie 153rd. Archer (69880) was a Bruce Augusta by Scottish Archer (59893), dam Augusta 31st by Clear-the-way (47604) g. dam Augusta 10th by Cetewayo (49244). No Scotch family stands higher to-day than the Augustas, and Archer was a credit to the tribe.

Standard Bearer (55096) was one of the best latter day sires at Sittyton, his sire was Feudal Chief (51251), his dam was Capsicum by Cumberland (46144) his g. dam was Crocus by Pride of the Isles (35072) and his g. g. dam was Princess Royal by Champion of England (17526).

Onslow (54755) was a descendant of the great Lady Fragrant, supposed by many to be the best cow that has ever lived. His sire was Lord Chelmsford (45073) his dam was Lady Fragrant 5th by Revenue (40591) a Violet bull bred by Mr. Cruickshank.

The Brawith Bud Family is another of the Cruickshank families that is well known in America. When Mr. Jamieson selected his cows in the Sittyton Herd, Golden Cross was considered one of the best heifers in this favorite family. Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire, Scottish Champion (75598), was used successfully by Mr. Duthie, he was of the Averno Family, that produced Field Marshall (47870) and Athabasca (47359).

Village Champion's dam was by the great sire of breeding cows, Master of the Ceremonies (56162).

Topsman (63447) was extensively used in the Waterton Herd and his progeny both male and female, were scarcely equalled by that of any other sire for thickness of flesh and for feeding qualities. His sire was the wonderful Gravesend (46461) and his dam was the show cow, Maid of Promise 6th, by General Booth (54353), and his g. dam was Maid of Promise 4th by Vermont (47193).

Nelson (57790) was sired by the Clipper bull Cayhurst (47560), his dam was Nelly 4th by Bermondsey (39464), a Butterfly of Mr. Cruickshank's best breeding, and his g. dam was Nelly by Garibaldi (17916), a son of Scarlet Velvet (16916), bred by Mr. Campbell.

The Brawith Bud Family is another of the Cruickshank families that is well known in America. When Mr. Jamieson laid the foundation of his herd he selected Golden Morn by Lord Lansdowne (29128) to represent this tribe, and perhaps no man was allowed greater liberty in making his selections than was Mr. Jamieson when buying from Mr. Cruickshank, for they were intimate friends.

The Brawith Bud family has produced many of our best show-yard Short-horns and they have produced for Mr. Duthie many of the best Cruickshank sires and dams that have been produced in that noted herd.

Marquis of Zenda=26064=is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bud bull Wanderer (60138) out of Missie 123rd by William of Orange (50694).

Jemidar (70671) was a Bruce Rosewood, sired by Waverley (68072), his dam being Rosewood 51st by Cap-a-pie (58591). Waverley was the sire of Silver Plate (75633) and Rosewood 51st was the g. dam of Silver Plate, so that Jemidar was closely related to that great sire.

Topsman (63447) was extensively used in the Waterton Herd and his progeny both male and female were scarcely equalled by that of any other sire for thickness of flesh and for feeding qualities. The Missie family, on account of having produced more high-class Short-horns during the past twenty years than any other is conceded by all to be the most valuable family in existence. The family was practically built up by the Messrs. Marr, Senior and Junior; they having purchased the cow Countess by Pacha (7612) from Capt. Barclay about the year 1850. Eighteen members of the family, old and young, sold at the dispersion of the Uppermill herd for an average of \$830.00 each.

Marquis of Zenda=26064=(Imp.) is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bud bull Wanderer (60138), his dam was Missie 123rd by William of Orange (50694), she was also the dam of Missie 153rd that was selected by Mr. Marr as his best Missie to represent the Herd at International Sale in Chicago, when she made the record price for a Scotch cow and was bought for the Pine Grove Herd at \$6,000.00.

He was sired by Roan Robin (57992), his dam was Sobriety by Roan Gauntlet (35284), and his g. dam was Sentiment by Prince Alfred (27107).

The Rosewood family has been in the hands of Mr. Bruce since the family was first noticed as a good one. Many of the most noted Shorthorns in Scotland have been of that family, but it is only necessary to mention Silver Plate (75633), one of the greatest latter day sires, now in use in His Majesty's herd.

Prince of Fashion (Imp.)=36080= was got by Prince of the Vale (Imp.)=32084=(77501), out of Whitefeather 3rd (Imp.)=34207=, by Statesman (71687).

K. C. B. (72755) was an Augusta, and this family is another of Mr. Bruce's noted ones. He was by Waverley (68072), the sire of Silver Plate (75633), his dam was Augusta 29th by Clear-the-Way (47604), and his g. dam was Augusta 8th by Privy Seal (50268).

Cap-a-Pie (58591) was by Clear-the-Way (47604), his dam was Augusta 11th by Cetewago (49244) and his g. dam was Augusta 7th by Privy Seal (50268).

Clear-the-Way (47604) was by Perfection (37185), his dam was Claret by Grand Vizier (34086) and his g. dam was the great Princess Royal by Champion of England (17426).

Mr. Marr's Emmas have been highly appreciated in America since the famous Potts' Emmas made such a good impression in the American show-ring. They were of that thick low heavy stamp that has helped the Aberdeenshire Shorthorns to forge to the front and to be recognized as money-makers wherever found. Emma 37th has been a lucky cow and her calves have been uniformly good.

Village Missie=51082= was sired by our great show and breeding bull, Village Champion=40433=, dam, Missie 153rd by the grand Brawith Bud bull Wanderer (60138).

Royal Prince (71490) is a grandly bred Golden Drop and was used very successfully by Mr. Campbell before being imported to Canada. He was at once bought for use in the Thistle Ha' herd and has been one of the best sires ever introduced to this country. His calves sold at the dispersion of the Thistle Ha' herd for from \$250.00 to \$750.00 each. When Shorthorns were higher a few years ago one of his heifers sold in the United States for \$1,750.00. His sire was the prize winning Emancipator (65447) and his dam was the prize winning cow, Golden Drop 9th. Emancipator was the sire of Golden Fame, and a daughter of Golden Drop 9th was his dam.

Count Arthur (70194) was a Cruickshank Victoria, sired by Count Lavender (60545) that won 52 first and Champion prizes in Great Britain and that was by a great odds the best sire ever used in the Bapton Herd. Count Arthur's dam was Victoria 85th by Gondolier (52956), and g. dam was Victoria 74th by Roan Gauntlet (35284).

Marshfield (62980) was a choice Missie bull used by Mr. Marr. He was sired by William of Orange (50694), his dam was Missie 96th by Athabasca (47359) and his g. dam was Missie 55th by Royal Prince (35398).

William of Orange (50694) was a pillar of strength in the Uppermill Herd and his offspring, both male and female, have made his fame spread wherever they have been taken. No sire has done more good in the latter years of the Herd's existence. He was a Cruickshank Orange Blossom of the best kind.

This family has been bred by good breeders for many years and they are a purely Scotch family, having been bred in Aberdeenshire since the first.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. He was sired by Village Champion (82538) that won distinction in the show rings throughout Canada as a show bull and sire, and his dam was the world renowned Missie 153rd. This latter cow was selected by the late Mr. Marr as the best Missie in his herd to represent the herd at the International Sale in Chicago. She sold for a record price for a Scotch cow, \$6,000.00, and was added to the Pine Grove Herd, where she has distinguished herself as a breeder of winners. She and her daughter Missie of Pine Grove and her son, Missie Champion, won the first in Toronto for the best cow and two of her progeny in 1903.

Marquis of Zenda=26064= is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bud bull Wanderer (60138) out of Missie 123rd by William of Orange (50694).

The dam of Marquis of Zenda was also the dam of Missie 153rd, that was selected by the late Mr. Marr to represent his herd at the International Sale in Chicago. She sold for the record price for a Scotch cow, \$6,000.00, and added to the Pine Grove Herd.

Matadore (67461) was by Prince of Fashion (64587), his dam was Maria by Victor Royal (53788), and his g. dam was Marigold 7th by Knickerbocker (38510).

Nairn (63035) was by Dauntless (54155), his dam was Maid of Tulloch 2nd by Balmoral (44327), and his g. dam was Maid of Tulloch by Bellerus (37848).

The Lancaster family was brought prominently before the American Short-horn breeders many years ago by the great show-yard and breeding career of Baron Booth of Lancaster. They have been highly prized in America and in Scotland for many years and they show no signs of deterioration up to the present time. They are a branch of the Lavender family.

Prince of Fashion (Imp.)=36080=was got by Prince of the Vale (Imp.)=32084=(77501) out of White Feather 3rd (Imp.)=34207=by Statesman (71687). Knight of St. John (Imp.)=17102=was a well bred Clipper bull. His sire was Cap-a-Pie (58591), his dam was Clarissa by Pro-Consul (54872), and his g. dam was Capsicum by Cumberland (46144).

Gravesend (46461) was one of Mr. Cruickshank's famous Golden family. He was used in the Kinellar herd with great success and afterwards bought by Mr. Duthie and used for many years. He has been the sire of a greater number of animals imported to Canada than any other Shorthorn bull used in Aberdeenshire. He was sired by the Victoria bull Royal Victor (43972), his dam was Gentian by Brampton (37763), and his g. dam was Golden Lady by Champion of England (17526).

The Flower Girl family, for some time in the hands of Mr. Cruickshank, and for a longer time in the hands of Mr. Reid and Mr. Walker, has been a very good one. A heifer of this family sold for the highest price made by any in a joint sale made by the Pine Grove and other herds in Chicago. Mr. Copland has never bred a bad one of this family.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. He was sired by Village Champion (82538) that won distinction in the show rings throughout Canada as a show bull and sire, and his dam was the world renowned Missie 153rd. Carolus (80630) was sired by the famous Knuckle Duster (72793), his dam was Caroline 9th by Emperor (67008), and his g. dam was Caroline 4th by Cawdor (44506). Carolus was a splendid bull and proved a great getter.

Scottish Victor (69557) was a beautifully bred Victoria, sired by Scottish Archer (59893), dam Sittyton Victoria by Gondolier (52956), g. dam Victoria 57th by Barmpton Prince 32995).

The Sittyton Clipper family was long considered one of the best at Sittyton. Mr. Cruickshank selected his sires from them whenever it was possible to do so. Commodore (54118) and Cumberland (46144) were of this family and they were amongst the most successful sires in use during the latter part of the breeding operations of Mr. Cruickshank.

Prince of Fashion (Imp.)=36080=was got by Prince of the Vale (Imp.)=32084=(77501) out of White Feather 3rd (Imp.)=34207=by Statesman (71687).

Lord James (67361) was by the Duthie bred Lavender bull, Lord Douglas (64313), and his dam was Mr. Law's choice cow Chloe, by the Lovat Juli a bull, Red Duke (53507).

Ambitious Monarch (66624) was a Marr Alexandrina by William of Orange (50694), and his dam was Alexandrina 19th by Athabasca (47359). He was thus closely related to Gay Monarch 92411. and to several members of the Pine Grove Herd.

Star of Morning (58189) was used with great success in the herd of Mr. A. M. Gordon of Newton. He was sired by Rising Star (54920) and his dam was Baroness 6th by Field Marshall (47870).

The Goldie family is a very old Uppermill tribe. They have been highly valued in Scotland, in Canada and in the United States. They have received the same care and good judgment in breeding that has been given the whole herd by the Messrs. Marr, and the result is shown in the uniform excellence of all the Uppermill Standard Families.

Prince of Fashion (Imp.)=36080= was got by Prince of the Vale (Imp.)=32084=(77501), out of White Feather 3rd (Imp.)=34207=, by Statesman (71687).

Golden Ray (67132) was bred by Mr. Duthie from one of the grand cows that he bought at Sittyton. His sire was Scottish Archer (59893), his dam was Guelder Rose by Pride of the Isles (35072), and his g. dam was Evening Star by Royal Duke of Gloster (29864).

The Orange Blossoms have been amongst the first Cruickshank families since he was recognized as a great breeder in Canada. Several of them were in the first importations made by the late Jas. I. Davidson, and they won many prizes in hard competition, when the name and fame of Scotch Shorthorns was being made in America. William of Orange (50694) was one of the later members to bring prominently before the world this great family. His dam was Orange Blossom 21st, named in above pedigree.

Prince of Fashion (Imp.)=36080=was got by Prince of the Vale (Imp.)=32084=(77501), out of White Feather 3rd (Imp.)=34207=, by Statesman (71687).

Topsman (63447) was extensively used in the Waterton herd, and his progeny both male and female, were scarcely equalled by that of any other sire for thickness of flesh and for feeding qualities. His sire was the wonderful Gravesend (46461), his dam was the show cow Maid of Promise 6th by General Booth (54353), and his g. dam was Maid of Promise 4th by Vermont (47193).

Fairfax Royal (57285) was bred from the Cruickshank G. family. He was sired by Lancaster (46594), dam Foxglove by Perfection (37185) g. dam Grizelda by Royal Violet (40649). Fairfax Royal was sold for a big price to go to The Argentine.

The Mina family is from the same foundation as many other Scotch families. They are descended from Helen, bred by Capt. Barclay and purchased from him by Mr. Campbell when the Kinellar herd was being founded. Marr, Duthie, Campbell and Cruickshank either purchased their foundation stock from Capt. Barclay or used his blood in founding their herds. The Minas have been as great money makers as have the members of any family of Shorthorns. They are thick fleshed as well as being good milkers.

Marquis of Zenda=26064=(Imp.) is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bud bull Wanderer (60138), his dam was Missie 123rd by William of Orange (50694), she was also the dam of Missie 153rd that was selected by Mr. Marr as his best Missie to represent the herd at International Sale in Chicago, when she made the record price for a Scotch cow and was bought for the Pine Grove Herd at \$6,000.00.

The Secret Family has long been highly esteemed by lovers of the Cruickshank Shorthorns. They were good milkers and favorite cattle in the hands of Mr. Bates, and they have retained their milking propensities while they have held their own in competitions where form was the greatest consideration as well. No Cruickshank family has been more prolific, and none has had a wider circle of admirers in all countries where Shorthorns have gone.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Mr. Duthie, he was of the Averno Family, that produced Field Marshall (47870) and Athabasca (47359).

Village Champion's dam was Village Maid 17th by Master of the Ceremonies (56162) that sired one of the best lots of breeding cows that has been produced in Scotland for many years. Lady in Waiting was one of his get, and she has proved her breeding qualities in America by furnishing such a noted son as Ceremonious Archer and others, only second to him.

Jemidar (70671) was a Bruce Rosewood, sired by Waverly (68072) his dam being Rosewood 51st by Cap-a-Pie (58591). Waverley was the sire of Silver Plate (75633), and Rosewood 51st was the G. Dam of Silver Plate, so that Jemidar was closely related to that great sire.

Devernon Side is a member of an old Scotch family that has been bred in Aberdeenshire for many years. Jealousy was a very choice cow, bought in England by Mr. Campbell about 1850. Since that time, many of the best North country bulls have been used on her progeny, and the result is a valuable and reliable breeding family.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. He was sired by Village Champion (82538) that won distinction in the show rings throughout Canada as a show bull and sire, and his dam was the world renowned Missie 153rd. This latter cow was selected by the late Mr. Marr as the best Missie in his herd, to represent the herd at the International Sale in Chicago. She sold for a record price for a Scotch cow, \$6,000.00, and was added to the Pine Grove Herd, where she has distinguished herself as a breeder of winners. She and her daughter, Missie of Pine Grove, and her son Missie Champion won the first in Toronto for the best cow and two of her progeny in 1903.

Roxwell (82124) was by Violet Boy (75836) his dam was Rosemary 114th by Craibstone (66885), and his g. dam was Rosemary 94th by Prince Palatine (57933).

Hero (70616) was by Lord Marshal (56070); his dam was Queen Bess 12th by Gravesend (46461); and his g. dam was Queen Bess 6th by Lord Granville 5th (43517).

Commodore (64118) and Cumberland (46144) were of this family and they were amongst the most successful sires used in the herd during the latter years of Mr. Cruickshank's breeding career.

Marquis of Zenda=26064= is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bud bull Wanderer(60138) out of Missie 123rd by William of Orange (50694).

The Cruickshank Duchess of Gloster family is perhaps one of the best known families amongst the Cruickshank Shorthorns, throughout Canada and the United States. Duchess of Gloster 12th in above pedigree was imported in 1871, and she has been the foundation of a great number of Shorthorns that for milking and feeding qualities combined can scarcely be equalled in any country. Perhaps no Scotch family has been more prolific and it is safe to say that none has done more good to the breed and their owners.

Bonnie Lad=25927= was sired by Blue Ribbon (63706) and his dam was Ballad Girl by Sittyton Stamp (66368). Blue Ribbon was without doubt as well bred as any bull that ever came from the Kinellar herd. He was from the famed Rosebud family and he has seven of the best sires that were ever used in that noted herd, following each other in his pedigree. Ballad Girl was of the Campbell Bessie family and her imported g. dam was the choice heifer in one of Luithe Adams' best importations.

The Brawith Bud Family is another of the Cruickshank families that is well known in America. When Mr. Jamieson laid the foundation of his herd he selected Golden Morn by Lord Lansdowne (29128) to represent this tribe, and perhaps no man was allowed greater liberty in making his selections than was Mr. Jamieson when buying from Mr. Cruickshank, for they were intimate friends.

The Brawith Bud family has produced many of our best show-yard Short-horns and they have produced for Mr. Duthie many of the best Cruickshank sires and dams that have been produced in that noted herd.

Village Champion's dam was Village Maid 17th by Master of the Ceremonies (56162) that sired one of the best lots of breeding cows that has been produced in Scotland for many years. Lady in Waiting was one of his get and she has proved her breeding qualities in America by furnishing such a noted son as Ceremonious Archer and others only second to him.

Mountain Archer (71046) was a great feeding bull of immense scale and substance, he was sired by the unequalled Scottish Archer (59893) and his dam was Mary Ann 3rd by Gravesend (46461). Mountain Archer was used for a long time in the Waterton herd and his calves were much appreciated by home and foreign buyers.

Topsman (63447) was extensively used in the Waterton herd and his progeny, both male and female, were scarcely equalled by that of any other sire for thickness of flesh and for feeding qualities. His sire was the wonderful Gravesend (46461), his dam was the show cow Maid of Promise 6th by General Booth (54353) and his g. dam was Maid of Promise 4th by Vermont (47193).

The Mina family is from the same foundation as many other Scotch families. They are descended from Helen, bred by Capt. Barclay and purchased from him by Mr. Campbell when the Kinellar herd was being founded. Marr, Duthie, Campbell and Cruickshank either purchased their foundation stock from Capt. Barclay or used his blood in founding their herds. The Minas have been as great money makers as have the members of any family of Shorthorns. They are thick fleshed as well as being good milkers.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. He was sired by Village Champion (82538) that won distinction in the show rings throughout Canada as a show bull and sire, and his dam was the world renowned Missie 153rd. The Lancaster family was brought prominently before the American Shorthorn breeders many years ago by the great show-yard and breeding career of Baron Booth of Lancaster. They have been highly prized in America and in Scotland for many years, and they show no signs of deterioration up to the present time. They are a branch of the Lavender family.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Mr. Duthie, he was of the Averne Family, that produced Field Marshall (47870) and Athabasca (47359).

Village Champion's dam was by the great sire of breeding cows, Master of the Ceremonies (56162).

Gravesend (46461) was one of Mr. Cruickshank's famous Golden family. He was used in the Kinellar herd with great success, and afterwards bought by Mr. Duthie, and used for many years. He has been the sire of a greater number of animals imported to Canada than any other Shorthorn bull used in Aberdeen shire. He was sired by the Victoria bull Royal Victor (43972), his dam was Gentian by Barmpton (37763), and his g. dam was Golden Lady by Champion of England (17526).

The Rosebud family is one of the standard Kinellar families. They were highly prized by Mr. Campbell, and no family shows a greater array of good sires than does this one as bred in above instance. A Rosebud won for Mr. Campbell the first at the Highland Show for the best yearling heifer, and of late years Mr. George Harrison has won many of the highest honors at both the Royal of England and the Highland of Scotland with cows of this breeding.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. The Sittyton Clipper family was long considered one of the best at Sittyton. Mr. Cruickshank selected his sires from them whenever it was possible to do so. Commodore (54118) and Cumberland (46144) were of this family and they were amongst the most successful sires used in the Cruickshank herd in its latter days.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. He was sired by Village Champion (82538) that won distinction in the show rings throughout Canada as a show bull and sire, and his dam was the world renowned Missie 153rd. This latter cow was selected by the late Mr. Marr as the best Missie in his herd, to represent the herd at the International Sale in Chicago. She and her daughter Missie of Pine Grove, and her son Missie Champion won the first in Toronto for the best cow and two of her progeny in 1903.

Marquis of Zenda—26064—is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bull bull Wanderer (60138) out of Missie 123rd by William of Orange (50684).

The dam of Marquis of Zenda was also the dam of Missie 153rd, that was selected by the late Mr. Marr to represent his herd at the International sale in Chicago. She sold for the record price for a Scotch cow, \$6000.00 and was then added to the Pine Grove Herd.

Lord James (67361) was by the Duthie bred Lavender bull Lord Douglas (64313) and his dam was Mr. Law's choice cow Chloe, by the Lovat Julia bull, Red Duke (53507).

Ambitious Monarch (66624) was a Marr Alexandrina by William of Orange (50694) and his dam was Alexandrina 19th by Athabasca (47359). He was thus closely related to Gay Monarch (92411) and to several members of the Pine Grove Herd.

The Nonpareil family is another of those whose foundation was selected in England by Mr. Cruickshank, and upon which he built the Herd that was to revolutionize the breeding of Shorthorns the world over. After many years he sold some members of the family to Mr. Campbell who used some of his best sires on them and made sales from them to his Canadian customers, They have proven of great value in helping to improve the cattle of this country, and have helped to do the work in the best of herds as well as in the commercial cattle.

The Brawith Bud family is another of the Cruickshank families that is well known in America. When Mr. Jamieson laid the foundation of his herd he selected Golden Morn by Lord Lansdowne (29128) to represent his tribe, and perhaps no man had greater liberty in making his selections than had Mr. Jamieson when buying from Mr. Cruickshank, for they were intimate friends.

The Brawith Bud family has produced many of our best show-yard Shorthorns, and they have produced for Mr. Duthie many of the best Cruickshank sires and dams that have been produced in that noted herd.

Prince of Fashion (imp.) 36080 was got by Prince of the Vale (imp.) 32084, (77501), out of Whitefeather 3rd (imp.) 34207, by Statesman (71687).

Topsman (63447) was extensively used in the Waterton herd and his progeny both male and female were scarcely equalled by that of any other sire for thickness of flesh, and for feeding qualities. His sire was the wonderful Gravesend (46461), his dam was the show cow Maid of Promise 6th by General Booth (54353), and his g. dam was Maid of Promise 4th by Vermont (47193).

Cayhurst (47560) was a Clipper bull by Roan Gauntlet (35284), his dam was Cochineal by Bridesman (30586), and his g. dam was Carmine Rose by Champion of England (17526). Carmine Rose was a full sister to the great Princess Royal, the dam of Cumberland (46144) and Commodore (54118).

The Spicy family has been one of the most successful Scotch families in the herd of J. Deane Willis. Spicy Robin used with such marked success in the Upper-mill herd was from Spicy 13th. There has been few of this family imported to Canada but, many of them have found their way to the United States and have proved very valuable there.

Prince of Fashion (imp.) 36080 was got by Prince of the Vale (imp.) 32084 lb(77501), out of Whitefeather 3rd (imp.) 34207, by Statesman (71687).

Count Lavendor (60545), won 52 first prizes, and Champion prizes. He was, perhaps, the greatest show and breeding bull that has been produced by Shorthorn breeders for a great many years, his progeny winning almost whenever shown. His sire was Norseman (56233) his dam Sweet Lavender by Earl of March (33807), and his g. dam Lavender 26th by Grand Vizier (34086).

Captain of the Guard (58596) was purchased to go with the Sittyton herd when sold to Mr. Nelson. He was repurchased to remain in Scotland, however, and afterwards proved a very valuable bull. His sire was Commodore (54118) his dam was Christmas Carol by Cumberland (46144), and his g. dam Cornucopia by Grand Vizier (34086).
